ARE YOU READY FOR SUCCESSION?

The Nonprofit Leadership Continuity Self-Assessment From Third Sector Company

The goal of leadership continuity planning is to introduce and maintain a culture of succession within your organization. This self-assessment provides a snapshot of the current landscape within which leadership continuity will be discussed. It has been designed to help you prioritize your work following today's presentation.

THE FOURTEEN QUESTIONS THAT MAKE A DIFFERENCE

For each question below, please indicate how effective your organization is in addressing these key factors associated with leadership continuity.

"1" represents <u>very ineffective</u>
"2" represents ineffective
"4" represents <u>very effective</u>

1. We develop a strategic plan (or long-range strategy) and use it to guide our organization's management and governance activities.
