

Available COVID-19 Supplemental Funding and Other Resources

August 10, 2020

Introduction

This report is designed to provide timely and relevant references to available COVID 19 disaster resources. The listed resources can assist eligible public, not-for-profit and for-profit organizations in responding to and recovery from the pandemic and the resulting economic downturn. The report is organized resources into 42 topics. We hope you will forward the report to your colleagues and other agencies that have interest in various topics. The report is derived from a national database of publicly obtainable information. For specific information on a single program use the included web link. Please consult the provider agency to verify program details and eligibility information. Deadlines for applicants listed in this report are at least 42 days in the future. The report is delivered via email at the beginning of each week. If you would like to be added to the mailing list, contact: Denise.balkas@fema.dhs.gov
